
Title: Visit Vesper

Author: Khaleesi

Greeting Traveler and
welcome to Vesper!!
Take a tour of all the
stops in Vesper and get
to know our great
citizens.

Get a taste for the
"local flavor" and visit
with the locals at the
park in front of the
bank.

Buy a new outfit at The
Spinning Wheel or The
Ironworks and bling it out
with some of Vesper's
mining treasures at The
Shimmering Jewel.

Once you feel all spiffy,
have your portrait painted
by Alberta Giacco.

Wander over to Vesper
Museum and have a look
at ancient treasures.

Head over to Vesper
Customs and watch the
flow of goods entering
and leaving the city.

Drop a line at
Fisherman's Warf and
catch some fresh fish
Or launch your row boat
from Vesper's Docks for
a sight seeing trip around
the canals.

Don't forget to pack a
lunch for your trip with
goods from The Butcher's
Knife, The Farmer's
Market and The Twisted
Oven.

Add some honey to those
fresh baked rolls from
The Busy Bees.

Vesper has great respect
for it's dead and undead
so stroll over the bridge
to Vesper Cemetary,
but be careful some of

the undead guest there
aren't in the best of
moods.

Grab a potion from The
Bubbling Brew and that
will heal you right up.

Before you leave pick up
a refresh potion and get
ready to drink the night
away while listening to
bards at Marsh Hall.

No time to see
everything in one day?

Spend the night in the
Youth Hostel or The
Ironwood Inn

...There's always room in
Vesper!
